Do you need financial
assistance for amniotic
membrane placement
for their wound care?

To qualify, these requirements must be met:

- ◆ **Medical Need:** You must meet the same clinical criteria as those for a standard procedure.
- ◆ **Financial Information:** Your provider will need to verify your financial situation and insurance status.
- ◆ **No Cost to the Patient:** Your provider will not charge you for the product.
- ◆ **Insurance:** You must **not** have any insurance coverage to qualify.

Unfortunately, underinsured patients are not eligible.
